

Welcome to Simplicity.

Simplicity is the “eco-chic” boutique that promotes sustainable living – and is the best place for you to consign in an upscale environment. In the spirit of reusing, recycling and a nod toward more earth-friendly materials, Simplicity is made up of a selection of well-known brands and unique home-good finds with an organic flair. Please take a look at our consignment guidelines:

1. Simplicity will accept consignments on these days: Tuesday and Wednesday 10am – 6pm, Thursday 10am – 8pm; appointments are not necessary. We generally have room to store out-of-season merchandise, if space is available. Consigners can bring in a maximum of 10 items any day of the week during store hours, and can make their own inventory list of what was dropped off. Simplicity has the right to take what fits for the store at that time; any items not selected will be donated to a charity of choice.
2. Our store accepts ladies upscale apparel (such as Theory, Ella Moss, Seven Jeans, J Crew, etc.), including accessories such as handbags, costume jewelry and shoes. We also accept home décor (eclectic look; vases, bowls, candle holders, pottery, and so on). Furniture, such as chairs, tables, nightstands and armoires are also welcome.
3. We take items purchased within two years or vintage style. For clothing, items should be in excellent condition washed and on hangers. Please note, freshly cleaned, pressed, and fresh-smelling clothing sells best. (No stains, rips, or holes; zippers and snaps should be fully functioning.) Please ask about our convenient pick-up service for large furniture pieces.
4. There is a split with Simplicity and a 90-day consignment period for each item. Consigners will receive 50% of the sale for items sold, assuming at the end of the 90-day period, they who do not want the items that haven't sold returned to them. If a consignor decides they do want items returned after the 90-day period, they will receive 40% of the sale for the items sold.
5. Consigners will need to keep track of the 90-day period and will have a 7 day grace period to pick up their items not sold or not given to charity. Due to the volume of consignors, Simplicity won't be able to contact or remind consignors; if items are not picked up in time, Simplicity will donate those items to a charity of choice.
6. Simplicity will mail two checks per consignment period, generally when an account reaches \$150 or at the end of the 90-day period. If a consignor would like a check before that time, at least half of their inventory must have sold and they must come into the store to pick up payment. Please note, Simplicity prints checks twice a month, please call ahead of time so we can make sure your check is printed in the next printing cycle.

We look forward to working with you and spreading the message of renewable, sustainable living!
